

Australasian  
Genomic  
Technologies  
Association

## 2014 Conference

12-15 OCT 2014

Crown Promenade, Melbourne

EARLY BIRD  
REGISTRATION  
DEADLINE  
1 AUGUST 2014

**Australia's foremost genomic technology conference.  
This is 'your conference.' Don't miss out!**

'The AGTA conference is a fantastic place for cross-disciplinary interactions, and facilitates this far more than any other conference that I know.'

Associate Professor Christine Wells, AIBN The University of Queensland

### THEMES

cancer genomics  
epigenomics  
plant genomics  
bioinformatics  
transcriptomics  
metagenomics  
functional genomics  
clinical sequencing

### KEYNOTE SPEAKERS

**Dr Peter Campbell**

Wellcome Trust Sanger Institute,  
Cambridge, UK

**Dr Ana Conesa**

Prince Felipe Research Centre,  
Spain

**Prof Alexander Myburg**

University of Pretoria, South Africa

**A/Prof Titus Brown**

Michigan State University, USA

**Prof Barbara Wold**

Caltech, USA

**Dr Iain Fraser**

National Institutes of Health, USA

**Dr Philip Stephens**

Foundation Medicine, USA

**Prof Melissa Fullwood**

Yale-NUS College, Singapore

### INVITED SPEAKERS

**Dr Marnie Blewitt**

Walter and Eliza Hall Institute

**A/Prof Justin Borevitz**

ANU College of Medicine

**Prof David Bowtell**

Peter MacCallum Cancer Centre

**A/Prof Aaron Darling**

University of Technology Sydney

**Dr Sarah-Jane Dawson**

Peter MacCallum Cancer Centre

**Dr Archa Fox**

Cancer Council of Western Australia

**Prof Parry Guilford**

University of Otago

**Prof Kathryn North**

Murdoch Childrens Research Institute

**Dr Kathryn Holt**

Bio21 Institute, University of Melbourne,  
Australia

**Prof Hamish Scott**

Centre for Cancer Biology

### THE CLINICAL SEQUENCING WORKSHOP

Proudly Sponsored by

**Tuesday 14 October 2014**

from 2:00pm – 5:30pm

(following the Cancer Genomics and  
Clinical Sequencing plenary sessions.)

Presenters include:

**Dr Andrew Fellowes**

Peter MacCallum Cancer Centre

**Dr Natalie Thorne**

Melbourne Genomics Health  
Alliance

**Prof Graham Taylor**

University of Melbourne

**Dr Desiree du Sart**

Victorian Clinical Genetics Services  
(VCGS)

**Dr Mark Cowley**

Garvan Institute of Medical Research

**Dr Cliff Meldrum**

Hunter New England Health,  
Newcastle

Hear from, and present to, the world leaders in your field.  
ECR and Student prizes available. Submit an abstract today.
